Dear Mr. Clark:

My name is Otavio R. C. Silva, and I work for Ecology and Environment, Inc. as a FIT Engineer. E&E is performing contractual work for the U.S. Environmental Protection Agency.

Based on the Freedom of Information Act, we would like to receive information about previous OSHA inspections of two sites located under your jurisdiction.

The information we request from you will support preliminary assessments on potential hazardous waste sites. We are asking for information about these two sites:

1. Comdaco Inc.
3161 Wyandotte Street, Jackson County
Kansas City, MO
2. Gibson Homans Co.
920 Wyoming Street, Jackson County
Kansas City, MO

We will appreciate your prompt assistance in this matter.

Sincerely,

Otavio R.C.
